## Work Experience

---

### Media Compser

09 5 to Present

Spenser Cambron  
Kansas City, MO

As a Media Composer I write original music for commercials, ads, and other video content. I also license my music through a company called Audiio, who are based out of Nashville, TN. They allow creators, and music supervisors to license my music to be used in their film, commercial, or any other video content.

### Bartender/Server

05 0 to Present

Brown and Loe  
Kansas City, MO

As a bartender, I create classic craft cocktails, as well as server a variety of great wines. It is my responsibility as a bartender and server to provide exceptional service to our guests that come through the door to either dine or drink with us. We are there to cater to any need the guest may have, within reason. I must also have an understanding of the dishes and drinks we provide, as to answer any question the guest might have.

### Bar Manager

12 8 to 07 9

Mission Taco Joint  
Kansas City, MO

In charge of the bar program for south plaza Mission Taco Joint, which includes making liquor orders, determining what beers to run on the taps. Order and maintain weekly and monthly inventory of all liquor and bar goods. Making sure the bar is clean and well maintained. Handle the hiring, firing, and scheduling of bar staff. Assist management team with running the floor and day to day tasks to insure the restaurant runs as smooth as possible.

### Customer Service Rep

02 8 to 12 8

Google Fiber  
Nashville, TN

Resolves product and service issues with specific google fiber accounts by determining the cause and finding the best

solution for the customer. Help potential customers sign up for different services google fiber offers. Communicating between customers and other google fiber teams in order to effectively and efficiently complete timelines. Being part of the sales team, hitting quarterly goals. Lead workshops of current or potential customers that reviews the account basics and other google services.

## **Front of House Manager in Training**

11 7 to 02 8

Chili's Bar and Grill

Shawnee, KS

In charge of the front of house, insuring that all guests needs are being met, and that team members are providing excellent service. As well as coaching team members on how to improve their work flow, attitude, appearance/dress code, and issues within problems that might arise. Opening and closing the store, handling money, making deposits, checking and placing food orders.

## **Bartender/Server**

06 7 to 11

Taco Republic

Kansas City, KS

Provide fast and friendly service to guests. Have a complete understanding of the food and drinks we offer. Provide quality drinks for guest at the bar and for the restaurant.

## **Customer Service Rep/ Brand Ambassador**

03 6 to 10 7

Google Fiber

Kansas City, MO

Resolves product and service issues with specific google fiber accounts by determining the cause and finding the best solution for the customer. Help potential customers sign up for different services google fiber offers. Communicating between customers and other google fiber teams in order to effectively and efficiently complete timelines. Being part of the sales team, hitting quarterly goals. Lead workshops of current or potential customers that reviews the account basics and other google services.

## **Bartender**

11 5 to 03 6

Port Fonda

Kansas City, MO

Create craft cocktails for guests at the bar and for the restaurant. Have a complete understanding of food, cocktails, and liquor offered at the bar to help the guests with any questions they might have.
